Dear Commissioner Henney;

I want you to know that I am in favor of the FDA promptly approving claims filed for saw palmetto and the symptoms of benign prostatic hyperplasia; psyllium husk seeds and the risk of heart disease; folic acid, vitamins B6 and B12 and cardiovascular disease; and vitamin E and the risk of cardiovascular disease.

Your support and efforts in that direction would be a boon to the public and would be appreciated.

Very Truly Yours,

George T. Humphreys
